ZFF Sounds Prinzessin

(CH/UA 2021 · 101 min)
 Dir: Peter Luisi
Film with Live-Commentary
 by film composer Martin Skalsky

Wed, 29.9., 21:00, Kosmos 5

The alcoholic Josef lives neglected in a two-family house. When his sister moves into the second apartment with her 4-year-old daughter Nina, Josef and the girl become friends. Without knowing it, Nina helps her uncle to overcome his addiction. 35 years later, their paths cross again - now it is Nina who needs help. Composer Martin Skalsky will comment live on his music during the screening.

ZFF Sounds A Girl Walks Home Alone At Night

(US 2014 · 101 min)
 Dir: Ana Lily Amirpour
Silent Movie with Live Music
 played by Reverend Beat-Man & Milan Slick

Wed, 29.9., 21:00, Kosmos 6

It resembles the nightmare metropolis Sin City: the fictitious Iranian ghost town Bad City. Here lives Arash together with his drug-addicted father. One night, as he roams the squalid alleys, he meets a mysterious girl - with a bloody secret... Amirpour's great feature debut is scored live by Reverend Beat-Man and Milan Slick - an atmospheric melange consisting of guitar sounds and electronic beats.

COVID-19 guidance for SoundTrack_Zurich:

One of the following three options of proof of no Covid-19 infection is needed:

- A Swiss or EU digital Covid certificate of
- proof of complete vaccination
- or proof of acquired immunity
- or a negative PCR test or a negative antigen (lateral flow) test, dated within the previous 24 hours (to be renewed every 24 hours while at SoundTrack_Zurich)

A negative test without a valid Covid certificate is not sufficient. A valid Covid certificate together with a photo identification document must be presented!

Proof must be in the form of a QR code (given to patients by the medical services who undertook their tests or vaccinations) which can be presented:

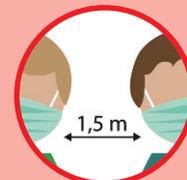

- as a print-out
- or in a digital format

These QR codes will be scanned and checked at all entrances to the SoundTrack_Zurich locations. In the case where a participant presents himself/herself at an entrance either without any form of proof or with an invalid form of proof, he/she will be required to go for a test so as to obtain a new and valid form of proof.

General Hygiene Measures

1. Wear a Face Mask.
 NOT a Face Shield.

2. The distance to other people should always be at least 1,5 m.

3. Avoid shaking hands or touching things unnecessarily.

4. Always sneeze into a tissue or into your elbow.

5. Let yourself be tested for fever at the reception.

6. Follow the guidelines.
